DENTAL HISTORY

Please answer Yes or No to the following:	YES	NO
Gum and Bone		
Do your gums bleed or are they painful when brushing or flossing?		
Have you ever been treated for gum disease or been told you have lost bone around your teeth?		
Is there anyone with a history of periodontal disease in your family?		
Have you ever experienced gum recession?_		
Have you ever had any teeth become loose on their own (without an injury), or do you have difficulty eating		
an apple?		
Tooth Structure		
Have you had any cavities within the past 3 years?		
Are any teeth sensitive to hot, cold, biting, sweets, or avoid brushing any part of your mouth?		
Have you ever broken teeth, chipped teeth, or had a toothache or cracked filling?		
Do you frequently get food caught between any teeth?		
Smile Characteristics		
33. Is there anything about the appearance of your teeth that you would like to change?		
34. Have you ever whitened (bleached) your teeth?		
35. Have you felt uncomfortable or self-conscious about the appearance of your teeth?		
36. Have you been disappointed with the appearance of previous dental work?		
Patient's Signature Date		
Doctor's Signature Date		

Your Privacy is Always Assured

Privacy of our patient's personal information is important to us. Personal information is necessary for providing professional oral health care services to you and information necessary to administer your dental treatment.

I authorize communication of this personal information by mail, electronic and verbal means. Personal information includes clinical records, X-rays, study models, photographs of you and your teeth, mouth, smile and face, and general health information obtained from a medical history review, insurance information, phone numbers and email addresses. Clinical information and photographs, x-rays may also be used for long-term follow-up and research purposes, as well as for education or teaching purposes.

Your personal information will only be shared with those who have a need to know and specific information disclosed shall be restricted to only that information relevant to the recipients need to know. Those who have a need to know include referring dentists, other dental specialists, physician(s), dental laboratories and insurance carriers.

I certify that I have read and understand this document.
